CONFIDENTIAL

Incinerator Sys, File

10 February 1959

MEMORANDUM FOR: Chief, Physical Security

ATTENTION : [redacted] 25X1

SUBJECT : Photographs of New Incinerator

1. Enclosed, for your retention, are two photographs of the new incinerator. These photographs show some of the metal parts that are incorporated in this incinerator.

2. The first photograph shows the outer shell made of mild steel, the inner liner which is to be made of stainless steel, and the stainless steel grid or screen. The hole at the bottom is a clear out door for removal of paper clips, staples, etc. The second photograph shows a close up of these interior parts.

3. If any further information or photographs are desired, please contact [redacted] extension [redacted] 25X1 5X1
